Hi Patrick – I hope you had a good trip to DC! Doug let me know you'll be participating in the meeting with Blake Steele and John Mays of Azarga/Powertech today. I pulled some background information on Azarga's website on Blake and John that I wanted to provide you. We were able to brief Doug on the background and status of the Dewey Burdock site last week, primarily using the briefing paper that we provided you a few weeks back. It's also attached for your reference. See you at 11:45!
